

IGN Stock Centre

These strains will most likely be available soon from the IGN Stock Centre. Please add information and send further strains! We will all profit and save a lot of money!

E. coli Strains						internal information		
Name	Description	Link	Source	received from (not yet received)	Remarks	Stock established, Stock filled up (Date)	Stock checked by (Plating, resistance ...) Date	Sent to: Name, institution, date
BL21	Strain for protein expression, unclear if this is BL21 or BL21(DE3) or BL21 (DE3) pLys	http://openwetware.org/wiki/E._coli_genotypes#BL21		Ari/Siti				
BL21	Strain for protein expression, unclear if this is BL21 or BL21(DE3) or BL21 (DE3) pLys			Yekti				
TOP Ten				Yekti				
Dh5 alpha	Standard cloning strain	https://microbewiki.kenyon.edu/index.php/DH5-Alpha_E.coli http://ecoliwiki.net/colipedia/index.php/DH5_alpha						
OP50	Strain used for feeding C. elegans. This strain is not good for transformation!	http://www.wormbook.org/wbg/articles/volume-18-number-1/the-genome-sequence-of-e-coli-op50/		Ibrahim
